Dr. P. K. Sahoo
President Neurotrauma Society of India
(2014 - 2015)

We express our sincere appreciation and gratitude for your tireless efforts in advancing the field of neurotrauma. Your dedication and hard work have undoubtedly made a significant impact on the lives of countless individuals affected by traumatic brain and spinal cord injuries.

Thank you for your unwavering commitment to improving the lives of those affected by neurotrauma. On behalf of all those whose lives you have touched and improved through your work, we want to express our sincere thanks and appreciation.

Your leadership in promoting research, education, and clinical care has been crucial in improving our understanding of the complex mechanisms underlying neurotrauma and developing innovative strategies for prevention and treatment. Your legacy is a testament to the power of collaboration, innovation, and perseverance in the face of adversity.

Prof. S S Kale
